HELP FOR SENIORS

INDIVIDUALIZED SOLUTIONS:

Designed to fit your
budget

Managed Senior Care, LLC
Informed Decision-Making.

Help for Families

We provide assistance to families caring for elderly loved ones. No matter what stage of life they are in, we have cost effective solutions that can help your loved one continue to live at home and relieve your worry.

Our helpers are available any day, any hour of the week.

Non-Medical In-Home Care

Seniors Helping Seniors of West Michigan is our non-medical in-home service company. We utilize a unique program where we match seniors who want to help with seniors that need help. Our innovative, intra-generational companion and home help services include:

- ⇒ Housekeeping
- ⇒ Personal care
- ⇒ Transportation
- ⇒ Companionship
- ⇒ Home Maintenance

Health & Safety Monitoring

While nothing beats the human touch, technology solutions from Managed Senior Care can help you make sure your loved one is safe and extend your long term care budget.

Peace of Mind

Our products combine personal care and technology in unique affordable monthly packages that you can customize to fit your needs. Our packages include :

- Bundled In-Home Care hours
- Personal Emergency Response System
- Medication Dispensers & management
- 24 / 7 non-intrusive monitoring with personalized, flexible alert logic
- Online care updates and progress notes

Easy to Work With

Because we understand all the responsibilities you are juggling we make doing business with us as easy as possible.

- ◇ Online scheduling
- ◇ Automatic bill pay
- ◇ Text alerts
- ◇ Service guarantee with 24 hr notice

Your needs, your budget, your plan

Approved Provider with Area Agency on Aging, Dept of Health Services, Veterans Affairs. We also participate in MI Medicaid Waiver and Senior Millage programs.
