

STAY SAFE

SIMPLE STEPS

STARTING WORK

FINISHING WORK

Stop at the door and ask the Covid-19 screening questions.

Wash your hands.

Put on a clean apron and mask. The virus can live on fabric.

Stay 6 feet away. **NO PERSONAL CONTACT WITHOUT GLOVES.**

Wash your hands.

Use a paper towel on knobs as you leave.

Remove your apron and mask and place them in a bag that can be discarded.

Do NOT reuse the apron or mask without cleaning. Assume they are contaminated and launder accordingly.
